# Editor's Note

“You do not have a substantial security to secure this loan facility”

“I’m sorry, but you do not qualify for a loan at this moment”

“Visit our Kakuma branch to fill the application forms.....”

Those are some of the words that you’ll often hear from a bank loan officer when trying to access a loan where you’ve been an esteemed customer for a long period of time. It has becoming increasing difficult and expensive to access loans from a bank these days.

Shelloyees Sacco has made it easy to secure a loan as opposed to banks at much lower interest rates. Members are entitled to getting a loan that is worth 3 to 6 times the value of your deposits.

We all know how it’s hard to save especially if you don’t have a specific goal in mind. But with Shelloyees Sacco, you can continuously keep on saving until that day that you’ll come up with an idea for something. It could be to start business, buying land, house, car etc.
